ANDERSON COLLEGE

ANDERSON, SC 29621

VOLUME 60

Friends Are Friends . . .

One of the first things you notice as you step foot on the AC campus is the friendly atmosphere. Once a person has been on campus for a few minutes, he is bound to have at least one new friend. The AC "family" is known for its warmth and hospitality.

Friends Are Friends, It's True

The Presidents Reception Opens Doors To New Friends

Dr and Mrs. Hopkins welcomed all the new and returning students to their home for the annual President's Reception. The reception was held on the front lawn of the President's home on August 25. The freshmen had the opportunity to meet their teachers and make new friends with the sophomores.

There was plenty of food and fellowship for everyone. President and Mrs Hopkins were gracious hosts, extending warmth and invitations for everyone to visit their home again.

Welcome To Anderson College

The Picnic on the front campus was held on August 27. Mike Bellifeuil provided hamburgers and fresh watermelon for the occasion. This was another of the friendly gatherings sponsored by the SGA during the first week of school. This was one of the many ways AC welcomed her new friends for the year.

The Embers Visit Anderson College

The Embers played all their Beach Music hits.

Students made their way to Abney Gym on the evening of September 8 to hear the Embers perform live. For Beach Music lovers the night did not last long enough. The Embers played practically every "Beach" song ever written, including some of their own from their album. For the ones less partial to this kind of music they also provided versions of popular songs.

The Embers provided personal music for the shag contest later in the evening. Ten couples entered, then the field was narrowed to five. The winning couple received coupons for a free meal, and the couple in second place received complimentary albums. The evening proved to be successful, in entertaining and providing an opportunity to meet new friends.

A crowd gathered in Abney Gym to listen to the concert and brush-up on their shagging.

CLASSES

Familiar Names, Friendly Faces

Sophomores

August rolls around and another school year begins. Sophomores return with high expectations for the year, but they house a hint of disappointment that this will be their final year as a student at AC.

All the things we were taught when we were growing up suddenly become reality. Now comes the time when we must stand on our own two feet and handle life by ourselves. Friends pass in and out of our lives and we face some serious decisions.

Some go on to obtain a degree from a senior college, some find jobs and settle down to work, others get married and begin a new life — but they all have a good education and fond memories from AC to carry with them.

Freshmen Find A Friendly Home At AC

Leaving home and entering a new realm of discovery, Freshmen pack all their belongings and begin to break the strings that bind them to home. They face a challenging world where they will be shaped and molded into men and women.

The freshmen face a year filled with laughter, tears, and a lot of growing experiences. AC provides a challenging environment in which to grow mentally, emotionally, and spiritually. The friendly atmosphere yields a comforting home-away-from-home.

Intimate Grief

We read the papers every day . . .
and come upon the page . . .
that simply gives a person's name . . .
followed by the age

We note with small emotion . . .
those who daily reach the end . . .
But, oh, how hard it hits the heart . . .
to come across a friend

In memoriam: Karl Braswell, Alan Hammond, Paul Petty

Each school year presents a challenge to every student. This year was especiall challenging to me. I was presented with the offer to be the Columns editor last spring and I saw it as an opportunity of preserving the memories of AC — not for my benef alone, but for everyone.

Putting together an annual is no easy task. There are always last minute problem that hide until the day before the deadline. As a matter of fact, we seemed to alway run into trouble with this yearbook. For a while the book had been cut out of th budget. At the last minute, a way was found to save our yearbook. I hope you'll fin that it was worth it.

Anderson College has been a very important part of my life. When I came here, was very nervous about starting to school away from home. As I became adjusted t the campus and the people, I found that I had truly found a home-away-from-home The friends I have made in the two years that I have been here will be friends forever. They will always have a very special place in my heart. My life was changed here. I grew up spiritually, emotionally, and physically. Well, I take that back. I don't think I ever reach any higher than 5'!.

I want to thank each of you for being a part of my life while here at AC; and throug this annual I hope that I can give each of you a part of my love and enjoyment of AC Everyone's memories cannot be captured in one book, but I truly hope that some where in this book you can find something that brings back fond memories of AC. God bless each of you with love and kindness!

With love to my friends at AC,

Donna Kittrell
Columns Editor
